Get Added Exposure On Our Home Page

This package is a great way to increase your exposure by our featured business section within our homepage as a selected advertiser.

In order to maximise your exposure, we can include your company as a featured business – on our homepage – which generates a huge number of unique and repeat visits from users across the UK.

The feature will see your business featured on a random basis for up to 365 days from the date of your order for the discounted price of just £5.99 per month payable by Direct Debit. You will be contacted by our customer support team normally seven (7) days from your order or you can be billed in full at £59.99 to your credit or debit card or by a one off Direct Debit.

If you do not wish to feature within this programme, it is important that you tell us. Simply email Customer Services or call **0203 151 6410** within 7 days of the date of the order.

If you have any queries regarding this element of the campaign just let us know.

Please refer to our Standard terms and conditions for further details on this package.
